

Extra 2 years of warranty on DeWalt tools

If you purchase DeWalt tools and register, you'll receive 2 years of extra warranty on top of DeWalt's standard warranty. This means you'll have 3 years of warranty in total for your DeWalt product. Read below what you have to do to receive the extra warranty.

What do you need?

- MyDeWalt account
- Product model
- Date code
- Serial number
- Extension of the product reference (for example -QS or -QW)
- Receipt

How do you qualify for the extra warranty?

1. Log in with your MyDeWalt account on the [DeWalt](#) website.
2. Register within 4 weeks after buying your product via 'Registreer een product.' ('Register a product')
3. Fill in the requested information.
4. After receiving confirmation, you can download the warranty card (PDF) on your MyDeWalt account or have the warranty card sent to your email address.
5. Save the receipt. You'll need it, together with the warranty card, in order to qualify for the 2 extra years of warranty.

Validity

- The extra warranty applies to purchases made at Coolblue in the Netherlands and Belgium.
- DeWalt's additional terms apply to the extra warranty.
- The promotion doesn't apply to Second Chance products.

Excluded from the 2 years of extra warranty

The following products are excluded from the 2 years of extra warranty:

- Attachment tools, like tackers and powder actuated nailers.
- Batteries and chargers.
- Reworked or reconditioned machines marked 'Factory rework' and/or 'Q'.
- Compressors and generators.
- Accessories that make contact with the workpiece and are regarded as consumables. Think of drills, saw blades, and grind discs.

- Hand tools.
- Clothes.
- Personal protective materials.
